Yes, I have looped in Louie as well, we had an excellent call with OPP PLT and this will be a start of a road map to build our PLT response. OPS PLT will be partnered with an OPP PLT members who are assigned individual convoys.

Mich's chart is a good start on painting a picture of what we have coming from where. As we fill in the numbers when we learn them, we will get a much better idea of what to expect.
